

EDGE8® Single Module Housing

CORNING

Part Number:
EDGE8-SMH

Corning EDGE8™ single-module housing is a compact option for storage, protection and termination of optical fiber cables in applications with minimal mounting space. The housing accepts preterminated EDGE 8-fiber modules and offers protection for the fiber cable and connectors for indoor wall-mount installations. This compact unit is optimized for use in locations such as Box-in-a-Box applications, building entrances, terminals, wiring closets, open office and other areas where space is a premium.

EDGE8® Single Module Housing
