CORNING

Part Number:
CCH-CP24-A9

Corning closet connector housing panels (CCH-CP) are offered in a variety of fiber counts for use with LANScape® solutions hardware products for a "one-size-fits-all" approach. Used with factory-installed or field-installable connectors, these panels provide interconnect or cross-connect capability in a housing at main cross-connections, intermediate cross-connections, telecommunication rooms or work areas. Available with a variety of industry-standard adapter types, the CCH-CP provides an efficient way to securely mate two connectors and offers multimode and single-mode applications.
